

3-Project: Adoption

Heevie since the beginning concentrated on building social relations between Kurdish society and the Italian one, some of the fundraisers in Italy who are interested in donations for sake of patient children descending from poor families, found Heevie as the ideal source to provide such help to the poor patient children in Kurdistan Region. In this year 12 child patient was been helped by Volontari Pubblica Assistenza Di Poggibonsi - Italy, Misericordia Di Colle di val d'elsa , and people from Italy and the United States.
