

4-Project: Helping the refugees in Duhok

On September 24th A delegation headed by the Director of Health Department at the private office of H.E Nechirvan Barzani Mr. Fakhri Hussein visited Heevie and met with Miss Bakhshan Ali the director to discuss a project to help the refugees in the camps in Duhok.

To implement such project both Mr. Fakhri Hussein and Miss Bakhshan met with Duhok Governor Mr. Farhad Ameen Atrooshi and discussed the possibility of requesting appropriate piece of land in the camp for such purpose. The Governor welcomed the idea and promised to facilitate the implementation and directed camp supervisors to offer necessary help and support.

Miss Bakhshan and Mr. Fakhri Hussein paid a visit to Directorate of Welfare and Social Development, the Directorate of social protection network and meet Mr. Mazen Mohammed Said the Mayor of Semel then to understand the needs of the people and find a suitable location for the project in coordination with camp administrators they visit the Bajid Kandal camp. The project is in the process of study and will become a reality on the ground soon.
